DSpace-CRIS Users

Here is a partial list of DSpace-CRIS users around the world. If you are a DSpace-CRIS user and your institution is not listed below, please add it and jump into the community! Your experience will be valuable for all other organizations that are using it or interested in it, and you will have the chance of getting in contact to develop new projects together.

The list also includes users of DSpace-GLAM (Galleries, Libraries, Archives and Museums, a configuration for the Cultural Heritage).

DSpace-CRIS is supported by OpenAIRE funding:
