Activity 6: Organizational Home Requirements Assessment

Goals
1. Determine if your program would benefit from partnering or contracting with an organizational home or fiscal sponsor
2. Gather requirements for assessment and decision

Definitions
Programs have a range of business needs depending on their scope and scale. These needs may require only a small set of services from an outside organization, or a larger-scale, longer-term relationship. The terms and definitions below may help you in your assessments.

Fiscal Sponsor: an organization that provides legal and financial infrastructure for your program. Services may include financial reports, banking relationships, invoicing, etc.

- Example situation: grant funded program that needs a way to accept funds

Organizational Home: an organization that provides legal and financial infrastructure as well as additional services that may be important to your program, such as consulting, event facilitation, marketing, technical support, grant writing, etc.

- Example situation: emerging program growing from a grant-driven initiative to a program that is community-based needing to move out of their founding organization

Activity Instructions
Requirements Gathering

1. Based on previous ITAVIP activities, determine your program’s biggest unmet needs. This will enable you to determine any gaps with your current situation and evaluate how a new home organization or fiscal sponsor could help.

2. Determine what gaps can be addressed by moving to a new organization

3. Define the impact of the move and determine how to navigate through these changes. Considerations include:

   a. Impact to existing staff (i.e. if they cannot move to the new organizational home with the program, will they remain as volunteers? How will they be recognized for their contributions?)

   b. Current sponsoring organization’s change in role (e.g. lesser role in governance).

4. Gather a list of candidates for a new home organization
