

Membership Fees

Membership Level	Annual Fee
Bronze	\$2,500
Silver	\$5,000
Gold	\$10,000
Platinum	\$20,000
Diamond	\$30,000

Membership Benefits

Level	Category	Benefit	Comments
Bronze & above	Information dissemination	Annual review webinar for members	
Bronze & above	Information dissemination	Member organizations will receive advanced news of project announcements and activities	
Bronze & above	General	Project Member logo for member use	
Bronze & above	General	Institution name and link on the DuraSpace and Project web sites	
Bronze & above	Events	Annual membership summit / strategic forum on projects with DuraSpace; presentations and networking with leaders from prominent institutions and projects (1 seat for Bronze)	
Bronze & above	Governance	Members nominate and vote on 2 "at large" member representatives to Project Steering Committee	
Bronze & above	Governance	Members can request and provide feedback on new features and/or present use case needs to Leadership Group, which will prioritize them. Steering Group will then work with project team to determine when work is scheduled.	
		<i>All the above benefits, plus:</i>	
Silver and above	General	Institution name, logo <i>and link</i> on the DuraSpace and Project web sites	
Silver and above (for 1st year of sponsorship)	Discounts/Special Feature Access	10% discount to new members on first year of either DSpaceDirect or DuraCloud	
		<i>All the above benefits, plus:</i>	
Gold and above	Events	Preferred access (advance notice) to DuraSpace web seminars and professional development opportunities	
Gold and above	Events	2 seats at the sponsor summit	
Gold and above	Events	Executive Session at annual DuraSpace Member Summit	
Gold and above	Events	Voice in determining webinar topics (hot topics and others)	
Gold and above	Governance	Eligible for nomination to Steering Group	
		<i>All the above benefits, plus:</i>	
Platinum and above	Governance	Eligible for one seat on Project Leadership Group. The Leadership Group votes for members of the Project Steering Group, which serves as their proxy in overseeing the operations of the project, setting strategic direction. [Institutions contributing in-kind developers to the project at approved levels will also qualify for a seat on the Leadership Group.]	Project Leadership Group is equivalent to Fedora "Advisor Group" and VIVO "Founding Sponsors" group. These groups will become the Leadership Group for each project. The Leadership Group elects members to the Steering Group and votes up-or-down on key issues presented by Steering (e.g., Strategic direction, annual budget allocations)
Platinum and above	Governance	Each Project Steering Committee will select one representative to the DuraSpace Board of Directors.	
		<i>All the above benefits, plus:</i>	
Diamond	General	Members will be recognized publicly for their extraordinary level of support in a variety of contexts, listed on the Membership splash page, etc.	This is an honorific level.
