Members of the Hydra community will be presenting the following sessions during Open Repositories 2014. Please join us to find out about the latest developments in Hydra-land.

**OR2014 Plenary**

**Tuesday 10th June**
P3C: Self-deposit, discovery, and delivery of scientific datasets using GeoHydra, 3:00-4:15

**Wednesday 11th June**
Repository Rants: Digital Scavenging, 9:00-10:45
Repository Rants: How can we agree on some product agnostic repository function fundamentals?, 9:00-10:45
P4A: Spotlight: A Blacklight Plugin for Showcasing Digital Collections, 11:15-12:30
P4A: Hacking User Experience in a Repository Service: ScholarSphere as a Case Study, 11:15-12:30
P4B: Distributed Repositories of Medieval Calendars and Crowd-Sourcing of Transcription, 11:15-12:30
P4B: From Local Practice to Linked Open Data: Rethinking Metadata in Hydra, 11:15-12:30
P4C: Building Successful, Open Repository Software Ecosystems: Technology and Community, 11:15-12:30

**Thursday 12th June**
P7A: From library repository to university-wide service: Stanford Digital Repository as a case study, 11:15-12:30
P7C: Leveraging Agile & Resourcing for Success - Hydramata, Avalon, Fedora 4 and Islandora (panel), 11:15-12:30
P8A: Audio and Video Repositories at Scale: Indiana University’s Media Digitization and Preservation Initiative, 1:30-2:20
P8B: Sustaining your open source project through training: a Hydra case study, 1:30-2:20
P8B: Hydramata: Building a Nimble Solution with Hydra to Transcend the Institutional Repository, 1:30-2:20
Fedora Interest Group

Friday 13th June
IG3A: Facing the Hydra alone: three case studies, 11:15-12:30
IG3A: Extending the Hydra Head to Create a Pluggable, Extensible Architecture: Diving into the Technology of Hydramata, 11:15-12:30
IG3A: Issues with Fedora & Hydra, experiences from a research-data-driven implementation, 11:15-12:30
IG4A: Avalon Media System project update: a Hydra solution for digital audio and video access, 1.30-2.45

Also look out for -

Tuesday 10th June
Posters – Hydra Europe
Demos – Avalon Media System

…and ad hoc Working Group meetings as arranged during the week
