DevMtg 2013-07-31
Developers Meeting on Weds, July 31, 2013

Agenda

Regular Items
- "JIRA Backlog Hour": Every Weds at 19:00UTC in #dspace IRC we will be working together to tackle our JIRA Backlog of "Received" tickets. This regular meeting will continue until we’ve been able to catch up on our backlog.

Discussion Topics

1. Pull Request Reviews (first 10 minutes or so) - Starting with #203
2. DS-1609: DSpace 3.2 OAI-PMH Functionality needs JDK 1.7 (Java 7)
3. DS-1272 (and PR #218): Enable Discovery by Default (currently XMLUI only). KevinVdV wants to get this into "master" soon in preparation for 4.0, so we have time to stabilize & also hopefully port to JSPUI as well.
4. DSpace 4.0 planning
   b. Need to finalize a 4.0 Release Schedule & advertise it. Suggested schedule from Andrea Bollini:
      i. Feature Freeze: Oct 20
      ii. RC1: Oct 31
      iii. Testathon: Nov 5-6 (should this be Nov 4-15? usually we aim for two full weeks)
      iv. RC2: Nov 21
      v. Final Release: Dec 4
5. Other topics for discussion?

Additional Ongoing Topics

1. Brainstorming Features/Changes for future. Can we work towards development teams around any of these projects?
   - Larger DSpace projects which seem to have a lot of recent support:
     - Moving towards a Common "Business Logic" / Business Services API. (i.e. avoiding duplication of business logic in all UIs)
     - Metadata For All (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
       - Related: Proposal to Update DC Registry and Add DCTERMS Registry Latest page from DCAT with the summary & goals
     - AuthN & AuthZ issues, including: DS-1566 and developer meeting on May 2, 2012
   - Other DSpace projects receiving mention recently
     - Migrate Search and Browse to DSpace Discovery
     - "Change which UIs come out-of-the-box" (and which are optionally installed later)
     - Move configurations to DB or similar (so they can be managed/edited from Admin UI)
     - Other Development Proposals

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.
