Agenda

- Finalize edits to Call for Submissions
 - Will finish via email
- Update on vocabulary manager development
 - DCE has agreed to work on vocab manager; Karen E working to schedule meeting with her, Ryan, DCE
 - Still need to determine what the scope is for the initial phase of work
- Set up of Waffle, columns, compare with Suggested Review Process on group wiki homepage
 - "Ready" means prioritized for WG review
 - "In Progress" means review in process
 - Perhaps add "Waiting for more info" or something similar
 - If rejected w/ reasons, move to "Done"
 - Probably need a way to track when serialized version needs to be added
 - Need further discussion with WG
- Predicate Decision Tree - text and links changed to Samvera
