Emeritus Committers
Emeritus Committers are those who, for one reason or another, are no longer able to contribute code to Fedora on a regular basis. They are still members of the Committers Group, and we wish to recognize their contributions and guidance; they have had an integral part in making Fedora what it is today.

- Sandy Payette, Cornell University.
- Rosser Wayland, University of Virginia
- Bill Niebel, University of Virginia
- Paul Charlton, University of Virginia
