

# Fedora 4 Deployments

This is a list of known Fedora 4 deployments, including details on the application frameworks and production status.

Do you manage one of these repositories? If so, please add or correct any details directly or contact [David Wilcox](#). We also encourage you to [register your repository with DuraSpace](#) so others in the community can find you!

Institution	Repository	Application Framework	Status	Contact
Amherst College	Amherst College Digital Collections	Custom, Islandora	Development	<a href="#">Bethany Seeger</a>
Arizona State University	Research Repository of the Nexus Lab	Samvera	Development	
Art Institute of Chicago	LAKE	Custom, Samvera	Development
