

# Meetings

The Fedora community holds its technical meetings as hybrid teleconference and Slack chat.

## Conference Line

- Audio/Video Conference Link: <https://lyrasis.zoom.us/j/396037251>
  - Meeting ID: 396 037 251
  - Find your local number: <https://lyrasis.zoom.us/j/ad6Xb7q3ia>

## Slack

- Slack team: <https://fedora-project.slack.com>
- Joining a Slack team requires an invitation, but anyone can generate an automatic invite using the following form: <http://slack.fcrepo.org/>
- A tutorial can be found at <https://fedora-project.slack.com/getting-started>. Slack has clients for Mac, PC, Linux, and mobile devices, and may be used via any web browser.
