Samvera is a vibrant and welcoming community of information and technology professionals who share challenges, build expertise, and create sustainable, best-in-class solutions, making the world’s digital collections accessible now and into the future.

Samvera was previously known as the Hydra Project and legacy content within the wiki may reflect this.

**Community**

- **Samvera Community Framework**
  - Samvera Community Principles
  - Samvera Community Overview
  - The Samvera Way: a recipe for success
