**Work Sessions**

Moving tickets to "done" was taking a long time, so we started bi-weekly work sessions to give the effort a boost. This is in addition to our bi-weekly working group meetings.

The focus is on actually working through tickets as a group and delivering passing PRs by the end of the work session.

**Details:**

**What:** Work on these Github tickets: [https://github.com/samvera/samvera.github.io/projects/1](https://github.com/samvera/samvera.github.io/projects/1)

**Where:** [https://cornell.zoom.us/j/703126880](https://cornell.zoom.us/j/703126880)

**When:** TBD, See [https://doodle.com/poll/eh3ebeu5imrd6r5z](https://doodle.com/poll/eh3ebeu5imrd6r5z). Bi-weekly starting the 2nd week of April, 2018.

**Who:** Anyone interested in improving Samvera documentation. Samvera community members who are *not* part of the Documentation Working Group are encouraged to participate.
