**Code of Conduct**

We want Samvera Community to be a fun, informative, engaging event for all our partners and participants. We've got a few strategies to help make this happen:

a. We encourage everyone to apply the Samvera community principles of openness, inquiry, and respect in their interactions at the event.
b. We have officially adopted an [Anti-Harassment Policy](#).

If you have any questions or concerns, please feel free to reach out to community helpers.
