- 2020-XX-XX - TEMPLATE - Planning a Dev Congress November 2020

Dates

Monday November 16th - Wednesday November 18th, 2020.

This is the Dev Congress held annually in concert with Samvera Connect. This year the dates are a bit after the conference itself, considering the conference days are a bit more spread out and the Connect planning committee was striving to avoid conflicts with other library and tech events.
