Agenda & Notes

1. Roll call and additional agenda items
   a. Moderator: Proposal: Christen Hedegaard
   b. Notetaker: Proposal: Claus Jensen

2. Any comments to the minutes from last Skype conference meeting.
3. Follow-up on the Hydra Connect meeting
   a. See Hydra and digital preservation session on Sessionizer website
   i. See minutes

4. Topics that the interest group should undertake
   - Talk about Premis and the events we want to see defined in Hydra
   - It's connection with PCDM and to make sure that PCDM can take into account digital preservation needs
   - Finding the common actions and assessing where those actions could be run. That would help decide what in the services those actions should be.
   - For those that are considering Hydra it would be helpful to be able to articulate how Hydra can help with satisfying digital preservation needs
   - Performing a gap analysis and creating a list of functional requirements for preservation needs and perhaps identifying costs. The LIFE cost model could be used for this.
   - Share screen shots of systems in development

5. Ongoing Digital Preservation activities
   a. University of Hull
   b. The Royal Library, Copenhagen, Denmark:
   c. Emory University: LIFE2-based Repository Fit-Gap Analysis for Emory-Fedora Implementation (pre-Hydra)

6. Next Meeting?
   a. Proposal: November the 12th
      i. Any proposals?
