

# Integrations - Support Standard Repository Machine Interfaces (OAI-PMH, SWORD, ResourceSync)

<b>Title (Goal)</b>	Support Standard Repository Machine Interfaces
<b>Primary Actor</b>	System
<b>Scope</b>	Principally HTTP-based service protocols
<b>Level</b>	Summary level - no exhaustive list of interfaces
<b>Story (A paragraph or two describing what happens)</b>	<p>System will expose standard machine interfaces commonly associated with Open Archive Initiative repositories.</p> <p>Such interfaces provide access to content and metadata in (typically web-) standard interfaces.</p>
