Emily Ping O'Brien

Emily Stenberg

Agenda/Notes:

-this is a check-in to determine where the community is at in terms of a stable Hyrax 3.0 release

*it looks like the alternative_title confusion has been marked as a blocker for the release:

<https://github.com/samvera/hyrax/issues/4318>

<https://github.com/samvera/hyrax/projects/11>

-Next steps

*continue to monitor the rollout and testing of Hyrax 3, especially with regards to the blocker metadata issue

*reconvene at the end of the summer, and make any needed changes to the MAP in order to reflect stable Hyrax 3.0 profile

-Set next meeting time

*Thursday, August 13th, 9-10am EST
