The current Fedora documentation is organized in the following categories:

1. Release documentation, such as:
   a. Fedora 4.6 Documentation
   b. Fedora 4.7 Documentation
   c. Fedora 4.7.1 Documentation
   d. ...

2. Project information and planning, found at:
   a. Fedora Repository Home

In an effort to make all of the above documentation more clear and useful, this page will be used to collect community feedback on the wiki documentation related to:

1. Gaps
2. Suggestions
