Meetings

The Fedora community holds its technical meetings as hybrid teleconference and Slack chat.

**Conference Line**

- Audio/Video Conference Link: [https://lyrasis.zoom.us/j/396037251](https://lyrasis.zoom.us/j/396037251)
  - Meeting ID: 396 037 251
  - Find your local number: [https://lyrasis.zoom.us/u/ad6Xb7q3ia](https://lyrasis.zoom.us/u/ad6Xb7q3ia)

**Slack**

- Slack team: [https://fedora-project.slack.com](https://fedora-project.slack.com)
- Joining a Slack team requires an invitation, but anyone can generate an automatic invite using the following form: [http://slack.fcrepo.org/](http://slack.fcrepo.org/)
- A tutorial can be found at [https://fedora-project.slack.com/getting-started](https://fedora-project.slack.com/getting-started). Slack has clients for Mac, PC, Linux, and mobile devices, and may be used via any web browser.

**Weekly Technical Call**

One hour, Thursdays: 11:00am Eastern Time US

- Conference Line

**Miscellaneous Calls**

A variety of calls based on particular topics are frequently organized. Please see the relevant pages below for information on each call, including dates, times, and call-in details.

**Meeting Ground Rules**

- Be on time
- Mute your microphone if you are not speaking
