Meetings

The Fedora community holds its technical meetings as hybrid teleconference and Slack chat.

Conference Line

- Audio/Video Conference Link: https://lyrasis.zoom.us/j/396037251
  - Meeting ID: 396 037 251
  - Find your local number: https://lyrasis.zoom.us/u/ad6Xb7q3ia

Slack

- Slack team: https://fedora-project.slack.com
- Joining a Slack team requires an invitation, but anyone can generate an automatic invite using the following form: http://slack.fcrepo.org/
- A tutorial can be found at https://fedora-project.slack.com/getting-started. Slack has clients for Mac, PC, Linux, and mobile devices, and may be used via any web browser.

Weekly Technical Call

One hour, Thursdays: 11:00am Eastern Time US

- Conference Line

Miscellaneous Calls

A variety of calls based on particular topics are frequently organized. Please see the relevant pages below for information on each call, including dates, times, and call-in details.

Meeting Ground Rules

- Be on time
- Mute your microphone if you are not speaking
