This demonstration site provides a good overview of the basic features that DSpace offers:

**Side Menu**

*Please refer to the figure below (Figure 2) for a visual representation of items 1-5.*

1. Search
   - Based on where you are in the system, this lets you search for an individual community or collection

2. Browse
   - This option lets you browse an individual community or collection

3. My Account
   - Options to Login to an existing account or to Register for a new account

4. Discover
   - Based on where you are in the system, these lists will change to become Community/Collection specific

5. RSS Feeds
Based on where you are in the system, these links provide RSS/Atom Feeds specific to an individual Community or Collection.

1. Introductory Text (Customizable)
2. Community Listing (“Top-level” listings displayed)
3. Recently Added Items
   - This also appears on individual Community and Collection pages (at which point it is Community/Collection specific)
