Notes

We talked about documenting and promoting recent work on extensions. Bruce will ask developers to describe extensions on VIVO Extensions wiki page, and then we’ll add these to the VIVO website.

Annual report: See the Annual Report Google Drive for work in progress. This will be a group effort, and Bruce will work on it next. Thanks, Anna, for the great presentation that we can use for this year’s report.

Julia wrote a summary of the current communication projects underway. See the Communication and Marketing Interest Group to see the list.

Claudia Adam from the Berlin University Alliance will join us for the next meeting. There’s a great article about ontologies by Rolf Guescini from BUA here: https://www.berlin-university-alliance.de/en/commitments/sharing-resources/vivo/articles/ontologies/index.htm
