Discussion items

Time	Item	Who	Notes
	announcements		
	final survey comments, cognitive interviews		all groups have responded conversation with David Wilcox two cognitive interviews are set up proposed: two weeks to respond ET: agreed ET: are we deliberately not asking how much money orgs are willing to contribute? KE: yes, that was to wait until we knew more about what we are asking for KE: given that there will be a second wave survey, should it be an Outreach WG activity JK: we will need to ask how much ET: I think Sustainability WG should be involved in followup calls/interviews KE: volunteers from this group for the next phase? (followup interviews, emails) ET: I'll volunteer KW: what will be the overlap? should the Outreach group be taking on more of the survey work? TBD
