

VIVO Conference 2020 Task Force

Status

Completed. 261 attendees. Yay!

Context

The VIVO Conference is the major annual event for knowledge exchange and networking in the VIVO Community. Regarding the current situation with the Coronavirus (COVID-19) pandemic being a threat to large parts of the world, it seems reasonable to switch to a virtual conference for this year. In this task force we will organize this virtual event.

By hosting a virtual event, we hope to engage people who would not typically be able to attend a VIVO Conference.

- Organize the technical framework for a virtual conference

- Establish technical and organizational support before, during and after the event.
