## Final Report

dspace-product-v...ort-20211206.pdf

## Scope & Charge

The DSpace Product Visioning Group was convened in January 2021 to develop a vision for DSpace beyond DSpace 7. This group will engage stakeholder groups, including community members and external stakeholders such as COAR, to outline a strategic vision and high-level priorities for the DSpace platform.

## Members

- [Scott Hanrath](#), University of Kansas (chair)
- Tal Ayalon, World Bank Group
- [Kimberly Chapman](#), University of Arizona Libraries
- [Barbara Hirschmann](#), ETH Zürich
- [Agustina Martinez-Garcia](#), University of Cambridge
- [Beate Rajski](#), Hamburg University of Technology
