

DCAT Discussion Forum

Welcome to the DSpace Forum. The DSpace Community Advisory Team will use this forum to discuss new feature requests from JIRA. Please start a new topic with the issue number and a description of the request. You must be a registered wiki user to participate.

PLEASE NOTE: This is not a moderated DSpace help forum! If you have questions or issues with DSpace, please visit the [mailing list archive](#) to see if anyone has asked your question before or search the [DSpace Documentation](#). If you don't find help from those searches, please post your message to the [DSpace Tech mailing list](#) to see if someone can help you -- and also so others in the community can benefit from your question.
