## 2020

### **(May/June) WEBINAR SERIES: Repositories During the COVID-19 Pandemic**

LYRASIS and the DSpace community are presenting an ongoing series of webinars focused on how DSpace is meeting the emerging needs of institutions around the world as they respond to the challenge of the COVID-19 pandemic.

The webinars highlight examples of how DSpace repositories have quickly adapted to provide critical infrastructure required during this crisis.

Date	Title	Presenter	Recording and Slides
May 7, 2020	<a href="#">DSpace as A Collaborative knowledge Hub for Mitigating Distance Learning Challenges During the Pandemic</a>	Dr. Amrender Kumar Jha ( <a href="#">KrishiKosh</a> )	<a href="#">[Slides]</a> <a href="#">[Video]</a>
