September 20, 2011

Agenda

- data loading updates
  - need a checklist for Tom L. to ensure we have everything we need before he leaves on Sept. 30.
  - Tom L. to use his EAD exploder script locally to generate objects for Tobin, Cheuse, Turner.
  - Michael, Simon and Tom L. to talk about Hull.
  - Plan is to have Tom L. supply objects and Naomi to run RAKE task to create the
- UI update
  - Jessie working on Hypatia edit workflow. (technical, permissions, descriptive and files). We can iterate later if we need to add contributor.
  - Jessie and Naomi have disk image, FTK item, Item, and Set forms. May need a collection form.
- DLF presentation planning
  - Proposal|^|\
