Minutes

2) action items

-language translations: know where the changes need to be made, just need to ensure changes won't require extra work / very challenging process, Claudia and Bram to create a JIRA issue, Tim to use it to re-start discussion w/cmtrs

3) OR12 DSpace user group mtg

-deadline for submission is March 8

-looking for interesting proposals/project

--content proposals from librarian's perspective

--women presenters?

--creative content - to get spirit of the "fringe" idea incorporated

--tutorials: curation tasks (Kim Sheppard, Wendy from MIT)

--panel discussion: how DSpace works as an open source community - using JIRA, DCAT - mysterious how open source works - how can you feedback /contribute to the community, round table discussion w/cmtrs, DCAT members, have moderator

-need a dsug program cmte - to review submissions, work on format of the day

4) discussion on current JIRA issues

- DS-456 create easy upgrade scripts (Iryna): discussion forum, JIRA
    - find volunteers to work on project
    - research approaches - Iryna's proposal, AgriOcean Windows version
    - aim for simplification, not perfection
    - identify any areas that we may need rework other parts of DSpace

- DS587 tombstone (Sarah): discussion forum,JIRA
  - restart discussion - XML & JSP are now at the same place
  - create a new JIRA issue (reference old JIRA issues) to help clarify goal: allow admins to indicate a withdrawal reason and have it displayed
    - build vision of workflow and requirements
    - what is the functionality that we want to see
- Added functionality to embargo feature (?DS-908, ?DS895, ?DS-824) - Jim https://wiki.duraspace.org/display/DSPACE /Advanced+Embargo+Support|../../../../../../../../../../display/DSPACE/Advanced+Embargo+Support|||\
  -

5) new JIRA issues
