

DevMtg 2012-11-07

Developers Meeting on Weds, November 7, 2012

Agenda

DAYLIGHT SAVINGS REMINDER: For all countries which recently ended "daylight savings time", this meeting will be ONE HOUR EARLIER. The DSpace Developers meeting is always at 20:00UTC and as such it doesn't change time before or after daylight savings. To verify the time of this meeting where you live, check the [world clock](#).

Regular Items

- [JIRA Reviews](#) — starting with issue [DS-1082](#)
 - [Search for all Unresolved Issues \(since DS-1082\)](#)
- Forgoing JIRA review for now to spend time on 3.0 & Testathon. Specific JIRA tickets can be brought up as needed.

Discussion Topics

1. [3.0 Release](#) Testathon, part 2
 - a. [List of bugs found in 3.0](#)
2. Other topics?

Additional Ongoing Topics

1. How can we "catch up" with JIRA Backlog?
 - Do we need to "split up" the tickets & do quick reviews on our own? Or perhaps just split up tickets & do a very quick ranking & schedule ones with patches for 3.0?
 - Perhaps we schedule a "JIRA Backlog Bash" event (via IRC or similar) where we work together to decrease the backlog over a few days or a week (think of this like a "Test-a-thon" but instead we'd be working to just clear out the backlog as best we can).
2. Brainstorming Features/Changes for future. Can we work towards development teams around any of these projects?
 - Larger DSpace projects which seem to have a lot of recent support:
 - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
 - [Metadata For All](#) (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
 - AuthN & AuthZ issues, including: [DS-994](#), [DS-1006](#), [DS-1007](#), [DS-1088](#), and developer meeting on [May 2, 2012](#)
 - Other DSpace projects receiving mention recently
 - [Migrate Search and Browse to DSpace Discovery](#)
 - "Change which UIs come out-of-the-box" (and which are optionally installed later)
 - [Move configurations to DB or similar](#) (so they can be managed/edited from Admin UI)
 - [Context Guided Ingest](#) (or Item Type based submissions)
 - Other [Development Proposals](#)

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes

Meeting Transcript

- Full IRC Transcript is available at - <http://irclogs.duraspace.org/index.php?date=2012-11-07>

Action Items

(Action items go here, if any)
