

Data Entry for Profiles at UF

UF faculty and staff profiles are constructed using three methods – automatic data ingest, facilitated data entry by library staff, and self edit. Here we list which items on a profile are entered using which method.

Automatic Ingest

- Name
- Contact information
- Department
- UF positions
- Publications (PubMed, others in the future)
- Grants as PI or Co-I
- Photo (future)
- Courses Taught (future)

Facilitated Data Entry by the Library

- Research Interests
- Previous Positions
- Awards
- Photo
- Alternate email
- Education/Training

Self-Edit

- Memberships
- Patents
- Presentations
- Featured In
- Clinical Work
- Adviser Relationships
- Editorial positions
- Certifications
- Committees
