VIVO multi-institutional search

Visit the new wiki space at VIVO Multisite Search Archive

A new wiki has been set up here on DuraSpace for planning the re-implementation and permanent hosting for the VIVO multi-institutional search.

Please put all new information about multi site search for VIVO in the VIVO Multisite Search Archive space. Only put information about the 2011 Linked Data Index Builder and vivosearch.org into child pages of this page. If you have doubts or questions about where to put new information about VIVO multi site search, please put it in the VIVO Multisite Search Archive space.
