

Short Tour: VIVO in production

[up to Tour start](#) | [1: what's VIVO?](#) | [2: what's different?](#) | [3: starting a VIVO project](#) | [4: VIVO in an information ecosystem](#) | [5: VIVO as data](#)

This page is **part 6** of a short, self-paced tour introducing VIVO for use in an interactive workshop or online.

VIVO in production

Browsing existing production VIVO sites can give you a good sense of what's possible through the creative customization and extension of VIVO technologies.

See <http://vivoweb.org> for sample VIVO sites.

See the [VIVO Site Registry](#) for a complete list of VIVO sites.
