Stats/Metrics - Cumulative Counts for Community Pages

Title (Goal)	Statistics: Cumulative Counts for Community Pages
Primary Actor	Collection Owner
Scope	
Level	
Story (A paragraph or two describing what happens)	As a collection owner viewing community statistics, I would like to understand the cumulative usage across the community (sub-community usage, collection usage, item usage, bitstream usage). I would like to see a list of the top collections and items contributing to the cumulative usage totals
