

Meetings - Apps and Tools Interest Group

Please see the minutes/notes from recent VIVO Apps and Tools call meetings. To add a new page of minutes, copy the most recent page as a template. The table below will automatically include the notes and sort them by date. If you have any questions, contact [Chris Barnes](#) or [Ted Lawless](#).

The notes and links to videos for more recent group meetings are listed below. Please see the [archived notes](#) for older meetings.
