

# End User - Curated thumbnails

<b>Title (Goal)</b>	A submitter should be able to choose if he wants to use an auto generated thumbnail or one he uploaded himself.
<b>Primary Actor</b>	Human
<b>Scope</b>	
<b>Level</b>	
<b>Story (A paragraph or two describing what happens)</b>	Nowadays there isn't the possibility to choose whether the thumbnail should be one that's auto generated or uploaded by the user himself. The submitter should be let this choice.
