Implementation and Development Call 20150924

Shortcut to temporal Google doc for meeting notes: https://goo.gl/kBrudt

Announcements

- Project Director Mike Conlon's weekly email: 2015-09-20 VIVO Project Updates (archive)

  - Implementation documentation now available in new section of the VIVO wiki: Planning a VIVO Implementation
  - UF has begun to publish its VIVO data in datasets available for download. See Dataset, all University of Florida papers published in journals for a given year. These datasets are for the years 2010 to 2014.
  - Visit http://vivo.figshare.com site for VIVO related materials from the VIVO 2015 conference. If you presented a poster or talk at the 2015 VIVO conference in Boston and have not submitted your presentation, please contact Simon Porter at Digital Science.

Theme: Introducing Graham Triggs

- **Graham Triggs started his new position as Technical Lead for VIVO on Monday, September 21. Please join us in welcoming Graham in this new role!**
- Graham has been an open source developer and a contributor to VIVO and DSpace. Recently Head of Repository Systems development at Symplectic, Graham developed the VIVO harvester extensions for Symplectic.
- Please plan to attend the call to meet Graham, and share your thoughts about the future of VIVO development.
