Agenda

Topic	Lead	Notes
-------	------	-------

1	Growing DuraSpace/Fedora membership - Europe - Museums - Government	International SIG met (Susan convened)- Global Memberships - some sites interested as Fedora as a back end vs front end 3 Webinars - then Duraspace membership - get buyin first - Emerging APIs - Hot topics - Use cases - US and other parts of the world - Often have to go to tender rather than just selecting OSS - Can we develop a tender response template? - Do we need vendor? Who would respond to a call for tender? - How can Fedora respond? - Investigate Duraspace as a sponsor for a showcase? - Developing regional promotional materials with local English usage Susan Lafferty - please verify my notes above - Embrace other timezones Telling DSpace Stories might be a pattern we could follow Jonathan Markow - got a link to these? Example David Wilcox and Stefano Cossu did a museums presentation Link to Museums and the Web 2016 LA presentation - How did it go? Government - Any developments? - Neil - informal discussion - UK govt has preferred OSS policy - Cloud bias - Fedora in a box might be attractive to this Non-Government agencies - UN - Non-Profits David working with RDA - possible network for Fedora growth
2	Funding developer contributions	Postponed until Andrew can participate
3	Engaging with attendees at OR2016	Raise Fedora awareness OR Sessions - Duraspace 3 Fedora Interest Group meetings 2 are concurrent Sunday Leadership meeting - Agenda item ideas? Wear tshirt 😊
4	Intent to merge with LYRASIS questions?	How to preserve the culture of Duraspace Debra available for 1:1 convos anytime

Previous Actions

- Lets pilot a Hackathon for Fedora Developers in late 2015 or early 2016
- [David Wilcox](#) to begin capturing, curating content for an "ambassadors" list of F4 implementations. Start a list / table in Confluence with updated case studies
- All: send any additional comments on website content in to Leaders or the Elite Subcommittee
- [Tom Cramer](#), [Karen Estlund](#), Steve Marks, Maurice York to revise [Draft Agenda for CNI Pre-Session](#), redistribute to Leaders
- [David Wilcox](#) will send email to Fedora lists to find out who else will be at upcoming European events and may be able to help organize meetings
