The wireframe shows a submission form interface. At the top, there's a header bar with navigation icons and the title 'DSpace 7 - Submission form'. Below this, the main content area is titled 'New item'. It features a dashed box for file uploads with the text 'Drop here the actual content or bibliographic records or [browse](#)' and an 'Add more' button. A 'Collection' dropdown menu is set to 'Sample collection'. A sidebar on the right lists sections: 'Basic information', 'Indexing', 'Files & access condition', 'CC Licence', and 'Deposit Licence'. The 'Deposit Licence' section is highlighted in blue and contains a declaration: 'I declare that I have read and accepted the terms of the deposit license in the repository.' with a 'Read the full license' button. Below the declaration is an 'Accept' button. At the bottom of the form, there are three buttons: 'Discard', 'Save for later', and 'Deposit'.
