1

Type search query and click Lookup button to search currently selected authority (i.e., OCLC FAST) (mockup action: Not functional in the mockup.)

2

Change which authority to search. Can also search local authority. (mockup action: Clicking Library of Congress will show you its mockup. Mockup for Cornell Local is not yet available.)

3

Clicking Cancel button returns to edit form without adding an author. (mockup action: Returns to edit form without changing it.)

4

Clicking one of the Preferred Labels selects it as the author. (mockup action: No impact in the mockup. It will simply return you to the edit form without making changes.)

5

Clicking the external link icon takes you to the full OCLC FAST page for that subject. (mockup action: This works in the mockup.)

6

When an author can't be found in one of the authorities, the user can add them to the local authority by clicking Add to Local button. (mockup action: Mockup for Add to Local is not yet available.)
