Dev Show and Tell - Using Docker in Development - May 15, 2018 - 1500UTC

Logistics

Time: May 15, 2018 at 15:00 - 16:30 UTC (11AM ET - 12:30PM ET)

Location: DSpace Meeting Room

- https://duraspace.zoom.us/my/dspace

Note: this meeting will be recorded

Meeting Recording

DSpace/Docker Resoruces

The following repository is meant to contain docker images supported by the DSpace community.

This repository will also contain links to useful resources for developers.

https://github.com/DSpace-Labs/DSpace-Docker-Images/blob/master/README.md

We have a channel on Slack for DSpace/Docker related conversations.

DSpace and Docker – Pascal Becker

- (notes can be added here)

Oracle Testing Using Docker – Tom Desair

- (notes can be added here_

Upcoming Meetings - Future Topics
