South Central States Fedora Users Group Meeting: 15 May 2018

What

South Central States Fedora Users Group Meeting.

The meeting will include:

- presentations on current implementations and work underway at peer institutions
- · discussion for users considering Fedora
- · conversations intended to foster collaboration among users and in support of the Fedora project

We will be asking for attendees to present briefly upon their various projects.

Who

We welcome anyone in the region both currently using Fedora or considering using Fedora for the management of digital assets as a repository or archive. This meeting is for all ranges of technical skill level.

This event is included with registration for the 2018 Texas Conference on Digital Libraries or you may register for the Pre-Conference date only: https://www.tdl.org/tcdl/
