

Navigating VIVO

VIVO is navigated and browsed using a primary menu located along the upper portion of the website. By default, VIVO has five items in the primary menu; Home, People, Organizations, Research, and Events. Your VIVO may have been configured with additional menu items.

Beginning at the Home menu, notice the contents of each menu. Each menu contains a list of VIVO Individuals associated to particular "classes". Each menu shows the count of individuals in parentheses next to the superclass and subclass names. In addition, the "Index" link on the upper right corner displays a list of "VIVO individuals" by class and the associated count in parentheses.

The screenshot shows the VIVO website interface. At the top is a dark blue header with the VIVO logo and the tagline "connect • share • discover". To the right of the logo are links for "Index", "Site Admin", and "root". Below the header is a primary navigation menu with links for "Home", "People", "Organizations", "Research", "Events", and "Capability Map". The main content area has a "Welcome to VIVO" section with a brief description of the tool. Below this is a "Search VIVO" section with a search bar and a "Search" button. The page is divided into three main columns: "Research", "Faculty", and "Departments". The "Research" column lists "Academic Articles" (1), "Books" (2), "Chapters" (1), and "Grants" (1), with a "View all ..." link. The "Faculty" column lists "Roberts, Patricia" (Professor and Chair), "Peters, Jasper I" (Professor and Associate Dean), "Powell, Suzanne Katrinsky" (Assistant Professor), and "Bogart, Andrew" (Associate Professor), with a "View all ..." link. The "Departments" column lists "History", "Chemistry", "English", "Physics", and "Music", with a "View all ..." link. At the bottom is a "Statistics" section with five boxes showing counts: 7 People, 2 Events, 15 Organizations, 9 Research, and 323 Locations.
